

FREDERICK KROETSCH: OPEN SKY PICTURES

Home (<http://ampia.org>) / Membership Profiles (<http://ampia.org/category/membership-profiles/>) / Frederick Kroetsch: Open Sky Pictures

Some times you just have to quit your day job. Frederick Kroetsch has done just that and with good reason! The co-founder of **Open Sky Pictures** (<http://www.openskypictures.com/>), along with fellow producers Kurt Spenrath and Rebecca Campbell, has been hitting the pavement this year, pitching projects and seeking development funding with fantastic results.

Recently, the Edmonton team received a grant from the Canada Media Fund to develop *Hart Attack*, a reality series with Discovery about the eccentric wrestler Teddy Hart who breeds (and juggles?) Persian cats. Open Sky Pictures is also gearing up for a three part mini-series called *Invincible* for TELUS Optik TV and will be debuting their Bravo Fact documentary *The Match* at the 2014 Edmonton International Film Festival.
